

## 'Training your Drone'

We all love our smart phones and their capabilities! These same electronic advancements have modernized aircraft, model aircraft and UAS. Come learn how to operate safely in the National Airspace and the latest changes. Click on the link below and register TODAY.

**Directions:** The Technology building is under the Astronomy Dome

### **A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
